

Event Notices

1. According to the schedule in event brochure, the guests should take part in the relevant meetings and activities on time and in an organized way. Please keep your cell phones opened. If there is a need, please contact with the contact person of activity.
2. During the forum, the guests should wear the participation card to come in and go out of the meeting places, take part in each important activity and have meals.
3. Please keep your own property and relevant documents properly; if something is lost, please contact with the forum affair contact persons in time.
4. Please turn off your cell phones or other communication tools or keep them in silent mode during the meeting, and take a seat in designated area of the meeting place.
5. Please properly use the simultaneous interpretation earphone provided by the meeting place; if it doesn't work, please contact with the forum affair staff in time.
6. During the forum, please contact with the forum affair group about the matters of printing, using cars, consulting or emergency.
